## Certificate of Industrial Visit

This is to certify that **Hana Nasrin**, an 8th Semester Student of the Department of Information Technology at the **Institute of Engineering and Technology, University of Calicut**, has successfully attended an industrial visit to our esteemed organization, ***Bridgeon Solutions***, on 12th March 2026.

The visit was organized to provide the student with insights into the practical aspects of the Information Technology industry.

During the visit, the student had the opportunity to explore various departments and aspects of our company, including Software Development, Project Management.

The active participation and enthusiasm shown by the student during the visit were commendable.
